

VISITOR FACILITIES

Fusion The Era 2026 is committed to providing a professional, convenient, and well-managed exhibition experience for exhibitors, buyers, business delegates, and trade visitors. A wide range of visitor support services and operational facilities will be available at the venue to ensure smooth participation throughout the exhibition period.

The exhibition venue will offer various hospitality, business, and convenience services that can be utilized by all registered visitors and exhibitors during the event.

Banking & ATM Support

ATM and basic banking services will be available within or near the exhibition venue for visitor convenience and financial assistance.

Business Assistance Centre

Business support facilities including internet access, printing, photocopying, and communication assistance will be available for exhibitors and visitors.

Local Transport & Car Rental Services

Car rental and local transportation support services will be available for convenient travel within the city.

Courier & Logistics Assistance

Courier and logistics assistance will be available for shipment of documents, samples, and exhibition materials.

Hotel & Stay Assistance

Visitors and exhibitors can access guidance and assistance related to hotel bookings and nearby accommodation options.

Luggage Assistance Facility

A designated luggage support facility may be available for visitors carrying baggage or travel belongings.

Emergency Medical Support

Medical support and first aid services will be available at the venue for emergency assistance and visitor safety.

Vehicle Parking Facility

Dedicated parking areas will be available for exhibitors, visitors, and business delegates attending the exhibition.

Prayer & Meditation Room

A prayer room facility will be available at the venue for visitor convenience.

Food Court & Refreshment Services

Food courts, cafeteria facilities, refreshments, beverages, and snack counters will be operational during exhibition hours.

Cab & Taxi Assistance

Taxi and local cab support services will be available for easy travel to and from the exhibition venue.

Travel Coordination Services

Assistance related to hotel bookings, local transportation, and travel coordination will be available for exhibitors and visitors during Fusion The Era 2026.
